

MAHONING COUNTY FIRE CHIEF'S ASSOCIATION

October 5, 2016

Dear Business Owner,

I am writing to you on behalf of the Mahoning County Fire Chiefs and approximately 700 firefighters in Mahoning County. Each year, the fire chiefs sponsor a seminar to improve firefighting operations and to increase safety for all personnel operating at emergency scenes. Beginning in 2000, the Mahoning County Fire Chiefs Association began inviting nationally known speakers to this area to raise the bar of excellence of education provided to our emergency personnel. At the same time, the fire chiefs make the seminar available to firefighters in approximately eight counties in Ohio and two counties in western Pennsylvania.

This year's seminar will take place on both Saturday, January 28 and Sunday, January 29, 2017 at the Mahoning County Career and Technical Center in Canfield, Ohio.

The estimated cost for the seminar will be **\$10,000**. We are asking local companies to help sponsor this seminar. Based upon your company's involvement with your community, we believe this is a unique opportunity for your company to show its' support for firefighters, and for firefighters to publicly acknowledge your commitment to your local community. In the past, these seminars have been well attended and have been covered by local media. Your company will be featured in news releases, as well as the seminar brochure (unless we are directed by your company to the contrary).

Therefore, we would like you to join the Mahoning County Fire Chiefs in sponsoring the **January, 2017** Fire & EMS seminar. Because all arrangements and funding must be fully in place by **January 10, 2017**, we ask that you let us know your company's response as quickly as possible. A form is attached for your convenience. In advance, we thank you for your support and anticipated consideration.

Very truly yours,

David C. Comstock, Jr. dli
